COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the last regular meeting of the Bethel Board of Selectmen, they voted to buy a 1966 four-wheel drive International 180 series. The price of the truck and body is \$10,700 and the town will trade in the 1952 International 180. Bids were requested from four dealers but only two prepared proposals. Ninety-five percent of the use of a four-wheel drive truck is plowing. The new vehicle should last about 10 years. If a truck of that size gives 10 years of service with a minimum of repairs required, the yearly cost of owning the vehicle is fairly low.

The swamping and widening of the Grover Hill town road improvement job should be completed by the end of this week or the first of next week.

Periodically someone will ask why is the town road improvement money spent on a certain road. The money for the projects is a grant from the State of Maine and the State Highway Commission designates the roads that are eligible for funds. As a general rule, town road improvement funds can be spent on any road or street that is entirely the responsibility of the town.

The state also limits the amount that can be spent on any road. The allowable amount at present is \$9,000 per mile. The town of Bethel gets about \$6,000 per year for town road improvement. Two items are of importance when trying to determine where to spend the money. First, will the improvement increase value and thus broaden the tax base. Second, will the improvement help summer maintenance and winter plowing. There are other things that are considered and the road that will produce the most benefits is designated for the work.

Announce New Gould Headmaster

Dr. Sidney W. Davidson of New York City, president of the Board of Trustees of Gould Academy, Bethel, announced Wednesday evening that Edward H. Scheibler has been appointed headmaster of Gould Academy effective July 1, 1967.

Edmond J. Vachon, present Gould headmaster, plans to retire following this current academic year. Mr. Vachon, who has been a member of the Gould faculty since 1940, has held the headmaster position since 1959.

Mr. Scheibler was educated at the Mercerberg Academy, Mercerberg, Pa., received from Yale University in 1954 his B. A. degree and was elected to Phi Beta Kappa, summa cum laude. He was then awarded a Woodrow Wilson Fellowship for study at Oxford University, England, where he obtained both B. A. and M. A. degrees in history. Mr. Scheibler was subsequently employed in government business for a period of seven years. He served in a management capacity with the U. S. Army European Exchange System at Nuernberg, Germany, and as an officer of Pittsburgh National Bank, Pittsburgh, Pa. Since 1963, Mr. Scheibler has been a member of the faculty of Hebron Academy, Hebron, Maine, as chairman of the Department of History. He is married to the former Editha Greenfield of Nuernberg, Germany, and they have two children, Edward and Laura, aged 12 and 10.

Mr. Scheibler and his family will begin their association with Gould Academy this month by taking in Bryant Pond the first of the planned opening of the A. D. 1944 High School in Bethel in September, 1967. Gould Academy will operate after that date as an independent co-educational college preparatory boarding school. Gould will continue its program with an outstanding physical plant and faculty providing excellent secondary education for students preparing for college and university work.

The trustees of Gould Academy, together with the headmaster, are now formulating plans for the expansion of the Academy to provide for an augmented student body and are developing several unique programs.

IN AND ABOUT BETHEL

The Evening Circle of the W. C. S. will meet tonight at Frances Saunders' camp at 6:30 for a pot luck supper and meeting. Further plans for the District Meeting to be held at the church Sept. 29 will be made.

Mr. and Mrs. Anthony Pugliese and daughter, Mary Jane, spent the holiday week end at their Sango cottage. Miss Pugliese who studied the past year in Europe, resumed her studies at Bates College this week, where she is a senior.

On Sunday, Sept. 11, The Chapel of Christ the King will begin its school year schedule of services. The Sunday service of the Holy Eucharist will be celebrated at 9 a. m. instead of 10 a. m. during the fall, winter and spring months.

On Saturday, Sept. 3, at the Windsor in Framingham Center, Mass., was held a surprise reception and dinner, honoring the 40th wedding anniversary of Mr. and Mrs. Oliver W. Fales of Dorchester. Fifty six relatives and friends assembled for the occasion. The affair was planned by their three sons, Walter and Raymond Fales, of Royal Oak, Mich., and Howard Fales of Redding, Conn., and their families. Among special gifts noticed were a lazy Susan, tray of crisp new money, and a gift box containing air and hotel tickets for a seven-day outing in Nausau next November. Mr. and Mrs. Fales (Alice Kimball) are well-known occasional visitors in Bethel. Her sister is Mrs. Edith Howe of East Bethel.

WHAT THEY NEED IS A PLACE TO GO...

The beauty of the idea is its simplicity. Take a big, empty room, install a lively rock 'n' roll band, charge a dollar admission, sell soft drinks in paper cups for a quarter, and have strict but minimal adult supervision. What happens is happy pandemonium. 600 kids, elbow to elbow, dancing themselves silly. The site is a teen club in Watford, Conn., called "TV's Hottest Spot." One of six such clubs now operating. Twenty more will open in the next two months from New England to Florida. Springfield from a widespread need for wholesome places where kids can dance and enjoy each other's company, the clubs operate as business enterprises. Town officials and parents frown at first, but soon applaud the swinging but well-run social centers. And the kids can't get enough. "The music is so loud it takes out your ears," exclaims one. "The smoke fills your head. You forget it all and just dance." (Life Magazine, Aug. 19, 1966).

FALL ROUNDUP OPENS DOORS FOR BOYS TO BE SCOUTS

The fall roundup of the Boy Scouts of America with its theme "Follow the Boy Scout Road" is a great way to make it possible for hundreds of boys to make it to the Boy Scouts, Boy Scouts and Explorers, according to Clinton E. Rose, Scout Executive.

The fall roundup is one of the most important parts of our national program for youth, which has presented the challenge to all Scout leaders to enroll a far greater percentage of the population with a quality program. Rose said.

The fall roundup is to enroll neighborhood boys to enroll at Scouting and our 400 Scout units are ready to welcome them.
